

Mudasir Ashraf

Junior Back End Developer

mudasirashraf156@gmail.com

7006659980

Magam, Srinagar, india

I am a dedicated junior backend developer with a passion for building efficient and scalable web applications. Proficient in Go, PostgreSQL, and Docker, I continuously seek to expand my skills and knowledge in backend technologies. My goal is to contribute to innovative projects and grow into a seasoned backend developer, delivering high-quality solutions and driving technical excellence.

EDUCATION

Bachelor of Computer Applications (BCA) Govt Degree College, Beerwah

03/2021 - 07/2024

Project

- Leaf Disease Detection using ML

PERSONAL PROJECTS

Library Management System (02/2023 - 04/2023)

- Crafted a streamlined Library Management System (LMS) for efficient book organization and user interaction. Users can easily explore, search, and access a diverse collection of books through a user-friendly interface
